Re: GPD Fiscal Officer (Treasurer) & ADP Services under ORC 307.846

Hello Mr. Oros,

From recent newspaper reports, we have learned of the Geauga Park District's ("GPD") intention and recent board action to employ its own fiscal officer (treasurer) and end its longtime use of services through the Geauga County Auditor's Office ("GCAO"). This information was raised and discussed at the February 18, 2021 meeting of the Geauga County Automatic Data Processing ("ADP") Board. In order to provide the GPD with ample notice, the ADP Board has instructed me to notify you that it has voted to terminate ADP's agreement, pursuant to O.R.C. 307.846, with the GPD, effective as of the end of the GCAO's service as GPD's fiscal officer (treasurer). In my capacity as Secretary of the ADP Board and Administrator of the ADP Center, this letter hereby serves as said notice.

To aid you in transition from working with Geauga County, ADP is in the process of compiling information regarding all of the services that it provides the GPD. In addition, in my role as Geauga County Auditor, my Office is also currently amassing information concerning all of the many services that it provides the GPD. With such information, the GPD will be fully informed as to the myriad of functions that it will need to expend additional taxpayer funds on in order to ensure that its operations continue. For your convenience, I will be following up this letter with such information as soon as it is available.

Sincerely,

Charles E. Walder  
Gauga County Auditor  
Secretary & Administrator ADP
