RE: 2006 Second Quarter Report "Economic State of Geauga"

DATE: July 5, 2006

I am pleased to present you with our 2006 Second Quarter Report. The purpose of this report is to provide accurate and timely financial information on a quarterly basis in a cash format for our elected officials, department heads, employees and residents so they may make informed decisions regarding the operations of county government.

Second Quarter General Fund Revenues: were up 2.74% or \$331,671 as compared to last year at this time. The following revenue categories are up as compared to last year at this time; *Sales Tax* revenues up 3.17% or \$156,583, *Charges for Services* up 10.72% or \$148,327, *Licenses and Permits* up 9.66% or \$280, *Interest Income* up 73.58% or \$344,467, and *Other Revenue* up 7.25% or \$20,428. All other revenue categories were down as compared to last year's second quarter. *Property Taxes* down 1.86 % or \$66,850, *Fines and Forfeitures* down 31.09% or \$35,191, *Intergovernmental* down 2.54% or \$27,794 and *Transfers* were down 87.67% or \$208,580. Real Estate transactions are down from last year's second quarter by 1.50% or 35 parcels, the conveyance tax is down 14.75% or \$131,271 which is the reason that the *Property Taxes* category is down at this time.

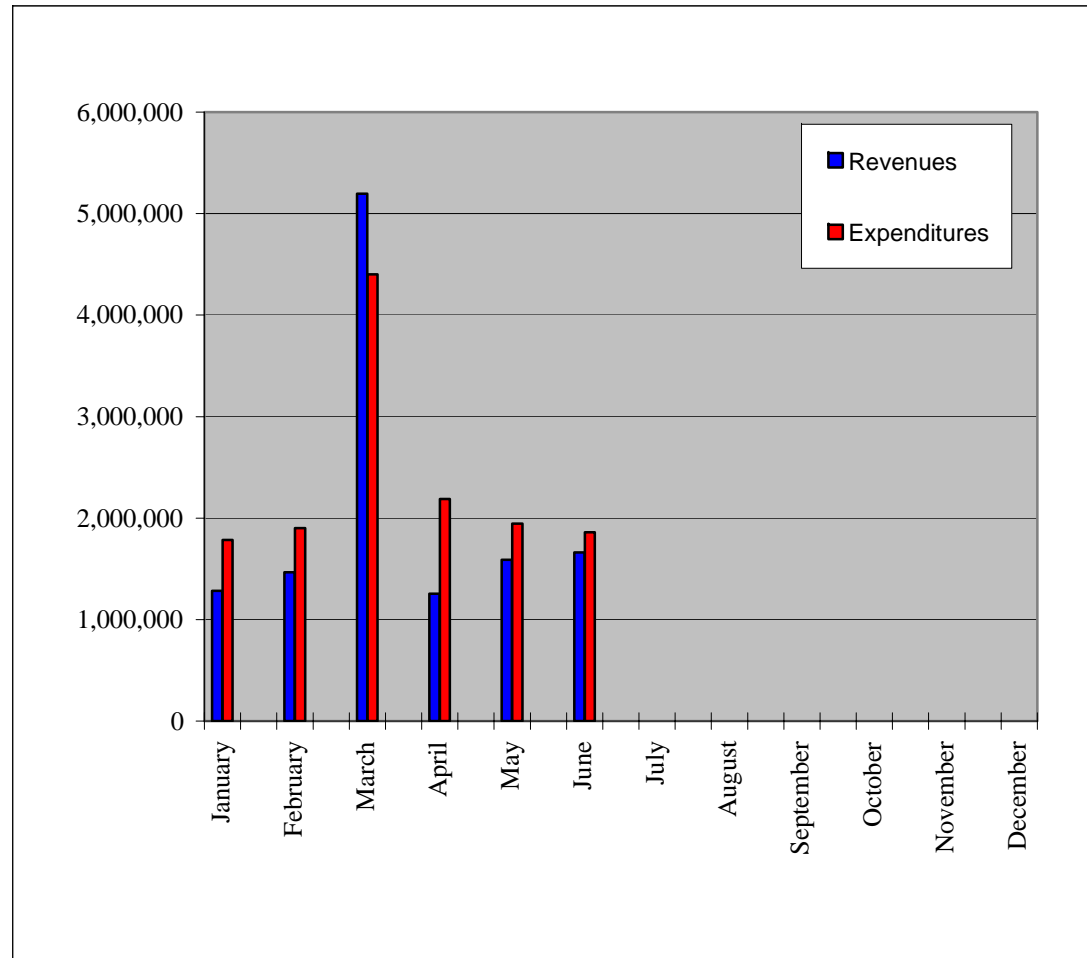

Second Quarter Expenditures: were up 25.87% or \$2,893,594 as compared to 2005 second quarter. The major factor for the increase is due to *Transfers Out* expense of \$ 3,174,150 up from last year at this time by \$1,831,341. Included in the *Transfer Out* amount is \$1,014,283 for the Courthouse renovation project.

In Summary: Revenues for the second quarter showed a growth of 2.74% and are running slightly ahead of Budget Commission estimates by .55%. However we are starting to see a slowing to the increase in revenues this year as compared to the exuberance of last year. The Sales Tax growth of the past is waning and Conveyance Taxes are down considerably due to the slowing real estate market. Both of which can be attributed to higher energy costs and rising interest rates. The latest unemployment figures for May 2006 are very promising with a 3.3% unemployment rate for Geauga County as compared to a 4.3% in May of 2005.

As always we will continue to monitor Geauga's economy and its impact on County Government. Should you have any questions or concerns please do not hesitate to contact me at extension 1600, as we are here to serve.
